

Quality Policy

It is the policy and overall business objective of Woodley Equipment Company Limited to provide services of the highest quality and in compliance with the clients specified requirements.

It is also the objective of Woodley Equipment Company Limited to enhance its reputation and capabilities in order to gain wider recognition in its field of expertise.

Woodley Equipment Company Limited recognises that genuine commitment to understanding the present and future needs of its clients is essential to the achievement of these objectives and thus continually strives to ensure that the needs and reasonable expectations of the clients are realised in the quality of the services it provides.

Our Quality Management System is designed to further the quality aims of Woodley Equipment Company Limited. We have ensured that all employees understand and adhere to the requirements of this policy and the contents of the Quality Assurance Manual.

Our Quality Management System is published as a direct response to the requirements defined by ISO 9001: 2000.

Woodley Equipment Company Limited will constantly monitor its quality performance and will implement improvements where appropriate.
