

Pharmacy Refrigerator, 66 Litre

Available for hire or purchase for your clinical trial.

Overview

This compact pharmacy and vaccine fridge has been designed for the safe storage of cold chain medicines.

Small enough to sit on the bench top or to be wall mounted by way of integral brackets, this versatile pharmacy fridge is ideal for surgery situations, care homes and schools.

Fully lockable and with automatic 24/7 integral temperature logging, this pharmacy fridge has been designed to comply with all current professional guidelines.

Operating Features

- Environmentally friendly refrigerant
- Internal light
- Real time temperature display
