

AliveCor®

Veterinary ECG/Heart Monitor Universal Adaptor

Easily converts any iPhone® to a single-channel ECG

**AN ECG DEVICE
AS MOBILE AS YOU ARE.**

"PASSIONATE ABOUT LABORATORY DIAGNOSTICS"

WOODLEY
EQUIPMENT COMPANY LTD.

AliveCor® Veterinary ECG/Heart Monitor Universal Adaptor

An ECG device as mobile as you are

Veterinary ECG/Heart Monitor Universal Adaptor is designed to fix onto any iPhone® and wirelessly communicates with the AliveECG Vet app.

Once partnered with the ECG monitor, it transforms any iPhone® into a clinical-quality, single lead ECG recorder.

FEATURES

• Easy to Use

No stress or shaving required in the majority of animals

• Powerful

Leverages the power, display and communication capabilities of any iPhone®

• Accurate

Veterinary testing demonstrates accuracy in rate and rhythm compared to traditional devices

• Accessible

Securely store ECG notes and patient information on the device and in the cloud

• Convenient

Screen a wide variety of animals quicker and easier during wellness and sickness exams, in addition to preoperative and diagnostic work-ups

• Valuable

Exceptional value for money for all clients

1. Device

Veterinary Heart Monitor

Fixes onto any iPhone® and wirelessly communicates with the app on the phone. No pairing between the iPhone® and the Heart Monitor is required.

2. The App

AliveECG Vet

The AliveECG Vet app is available for free download from the Apple® App Store. Once in the app, create an account and you're ready to begin recording ECG's.

3. The Web

<https://app.alivecorvet.com/login>

Provides you with anytime, anywhere, secure online access to all of your uploaded ECG's. You can create an account that gives you access to your personal ECG hub where you can analyse, print & share your ECGs.

Limited stock of Veterinary ECG/Heart Monitor iPhone® 5 / 5S dedicated cases also available

Compatible With:

- All iPhone® Models
- Most Smartphones
